25X1A This contract was awarded to [ ] on 26 June 1963 at a total CPFF price of [ ] The contract was later terminated on 10 October 1963 at the convenience of the Government. 25X1A

25X1A The termination action was based on poor performance on the 3x-6x and 12x Enlarger under [ ] and others involving items requiring a lesser capability than that required in development of the Hi-Resolution Printer. After a thorough review of the [ ] performance and capabilities, it was decided that the risk of unsatisfactory performance was too great to justify continuation of the Printer contract by [ ] 25X1A
